++ Valid for broadcast between 0600 and 1800

Headline:
Rather cloudy and showery.

Today:
Frequent showers across both Orkney and Shetland for today with only limited brighter spells breaking through. With wind light and variable in direction some of the showers are likely to be slow moving. Maximum temperature 11 deg C (52 deg F).

Tonight:
Continuing with quite frequent showers and limited clear spells, though with north to northwest breezes developing, they will not be as slow moving. Minimum temperature 5 deg C (41 deg F).

Tuesday:
More showers, but conditions improving a touch with outbreaks expected to be lighter and less frequent, while brighter spells will appear more readily. North to northwest breezes. Maximum temperature 10 deg C (50 deg F).

Outlook for Wednesday to Friday:
Showers building for Wednesday, particularly for Shetland, and feeling cold in near gale northwesterly winds. Thursday only a few light well scattered showers. Friday rather cloudy with patchy rain.
